# Claremont Provider Access Statement

## 1. Aims

This policy statement aims to set out Claremont School's arrangements for managing the access of education and training providers to students for the purpose of giving them information about their offer. It sets out:

- Procedures in relation to requests for access
- The grounds for granting and refusing requests for access
- Details of premises or facilities to be provided to a person who is given access

## 2. Statutory Requirements

Schools are required to ensure that there is an opportunity for a range of education and training providers to access students in years 8 to 13 for the purposes of informing them about approved technical education, qualifications or apprenticeships.

School's must also have a policy statement that outlines the circumstances in which education and training providers will be given access to these students.

This is outlined in section 42B of the Education Act 1997.

This Statement shows how our school complies with these requirements.

## 3. Student Entitlement

All students in years 8 to 13 at Claremont School and their parents are entitled to:

- Find out about technical education qualifications and apprenticeship opportunities as appropriate, as part of our careers programme which provides information on the full range of education and training options available at each transition point
- Hear from a range of local providers about the opportunities they offer, including technical education, apprenticeships and social care placements during our yearly 'Moving On' days organised by our school Independence and Preparing for Adulthood lead (IPFA)
- Parents to understand how to make applications for the full range of technical courses and social care placements.

## 4. Management of Provider Access Requests

### 4.1 Procedure

A provider wishing to request access should contact Marcia Shingfield, Post 16 Lead - Telephone: 0117 3533622 – email: marcia.shingfield@claremontbristol.org.uk
